secure containers

by STRAIGHT®

Smart and durable container with a tough, safe lockable lid, enabling the product to be used for confidential paper collections.

Designed to complement the hugely successful Slim Jim range, the secure lid kit can be fitted to either a 60 litre Slim Jim base. With a simple to fit, tamper-proof locking system, the Secure Slim Jim is a premium solution suited to a variety of office environments.

The Secure Slim Jim interacts with other Slim Jim containers and also fits the Slim Jim Trolley.

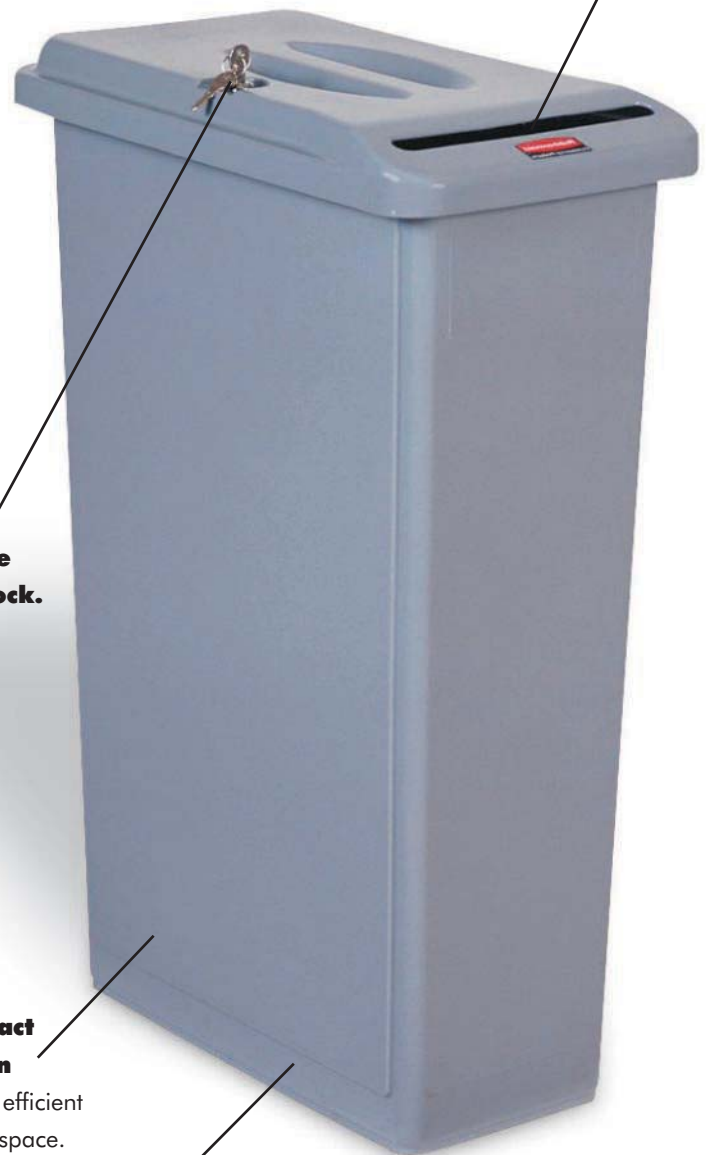

Based on the tried and tested **Slim Jim** system.

**Narrow aperture** prevents access to confidential documents.

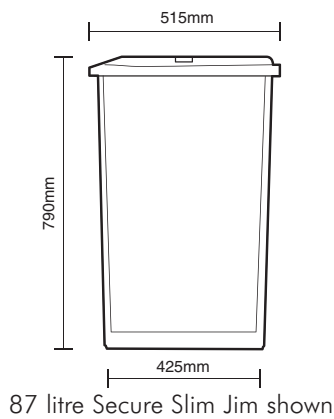

**Secure key lock.**

**Compact design** makes efficient use of space.

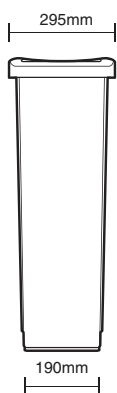

**Lightweight and tough,** moulded from polyethylene which will not rust, chip or peel.
