

## GIANT WATER COLUMNS

With its elegant and space saving construction, more aesthetically pleasing than a standard water butt, the Giant Water Columns come in a stone-grey finish.

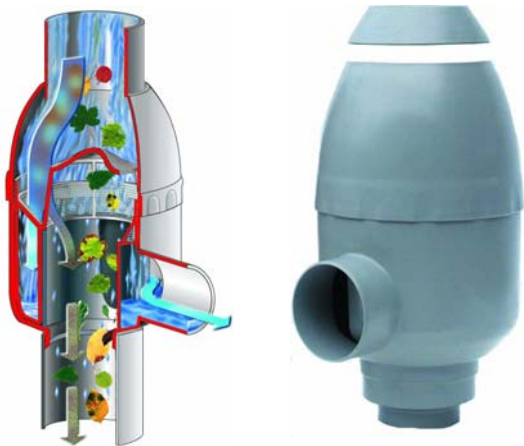

Complete with a brass tap fitting.

### WATER COLUMN ACCESSORIES

#### Giant Rain Diverter Kit

Attach to the downpipe. Channels rainwater from the roof and prevents the Water Column overflowing.

Leaf filter keeps water in the column free of leaves and other debris.

WATER COLUMN	CAPACITY	HEIGHT	DIAMETER
Small	300 litres	1610mm	590mm
Large	500 litres	1930mm	730mm
